

# ICT Code of Conduct agreement form: parents/carer Colman Infant School

Parent / carer name:.....

Pupil name: .....

Pupil's class: .....

As the parent or carer of the above pupil, I grant permission for my child to have access to use the Internet, Cloud based learning opportunities, school email and other ICT facilities at school.

I know that my child has signed a form to confirm that they will keep to the school's rules for responsible ICT use, outlined in the ICT code of conduct.

I also understand that my child and myself may be informed, if the rules have to be changed during the year. I know that the latest copy is available on the school website and that further advice about safe use of the Internet can also be found on the website.

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the Internet and mobile technologies, but I understand that the school will take every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials. These steps include using a filtered internet service, safe access to email, employing appropriate teaching practice and teaching online safety skills to pupils.

I understand that the school can check my child's computer files, and the websites they visit. I also know that the school may contact me if there are concerns about my son/daughter's online safety or online behaviour.

I will support the school by promoting safe use of the Internet and digital technology at home and will inform the school if I have any concerns over my child's online safety.
