

## What are we doing next week in Year 2?

Week beginning 2nd October 2017		
Maths 	Topic 	Literacy 
<p>In maths this week we will be reinforcing number bonds to 20 using addition and subtraction. We will also look at the inverse-for example <math>16+4=20</math>, <math>20-4=16</math>. We will work on addition and subtraction using two digit and single digit numbers.</p>	<p>We will be evaluating our vehicles and thinking about what we might have done differently. In music we will be trying to keep a steady beat. In RE we are thinking about Judaism.</p>	<p>In Literacy we will continue with our "Don't go" video. This week we will be doing some imaginary descriptive writing about where the pink alien lives.</p>
<p>Anything else... Laurel class-it's your turn for family learning on Monday 2<sup>nd</sup> October at 2.00pm in the hall.</p>
