Mrs Julie Sandford
Interim Headteacher

Ms Helen Wardale
Chair of Governors

Thursday 2nd May 2019

Dear Parents and Carers,

Welcome back to the summer term, we hope you enjoyed the Easter break. The school has lots of exciting events planned for this term which we hope you will be part of.

As you are aware the school is currently consulting to federate with Colman Junior School, could I kindly remind you that the closing date for the consultation is the 7th May 2019. If you would like to respond, please ensure that you do so by the closing date. Once the consultation is closed, the Governing Board will meet to discuss responses and we will be in touch with you all again about the outcome.

Thank you to all the parents and carers who responded to our recent parent survey, your contributions will feed into our ongoing school improvement journey. The governing board are really pleased with the progress Mrs Sandford and the staff have already made towards our key improvement actions. There is still some work to do, and the Local Authority continues to support us intensively. Leaders and governors are ensuring that the school works towards ensuring a quality education is provided for all pupils.

To support this improvement, we are currently advertising for a teacher for September in Early Years; this will ensure all teaching staff are permanent. In case you haven't noticed there has been extensive work on the outdoor provision for our youngest children. All staff are benefitting from the new collaborative way of working with the Junior school.

The governing board continues to work hard to support the school, its staff and children, and if you see us at school events please say hello. In the meantime, if you have any queries or concerns, please do get in touch.

Wishing you all a good term ahead.

Best wishes

Helen Wardale
Chair of Governors
Colman Infant School
